

JUPITER: THE GLANCE OF GRACE?

WEEKEND JYOTISHA SEMINAR

MARCH 15TH AND 16TH, 2008*

AT ARSHA VIDYA GURUKULAM, SAYLORSBURG, PA

Presented by Penny Farrow

Jupiter is lauded in the Jyotisha texts as the greatest benefic in the society of grahas and Jupiter in the ascendant as one of the most auspicious placements in a natal chart. Yet, aspiring jyotishis must cultivate judgment as to when Jupiter's blessings will flow and when there is a fist in that velvet glove! Though focusing on Jupiter in the ascendant, this weekend's study will serve as a powerful model for how to deeply evaluate every graha's role in the interpretation of a chart. This seminar was developed for and originally taught at Vedic Vidya Institute, San Rafael, CA

Course fee: \$150
