The Problem Is You, The Solution Is You

SWAMI VIDITATMANADA SARASWATI

Swami Veditatmananda Saraswati is a disciple of Swami Dayananda Saraswati. He expounds Vedanta with simplicity and directness, which makes it easy for the audience to assimilate. Having lived and worked in the USA prior to becoming a Sannyasi, Swami Veditatmananda is familiar with the lifestyles of both India and the West. With insights into both cultures, he reaches out to everyone with equal ease.

Swamiji has conducted family camps at Arsha Vidya Gurukulam for over a decade and has taught in many cities all over the USA and in India. He gives talks on the Upanishads and the Bhagavad Geeta all over the world. He also conducts seminars with a view to show the relevance of Vedanta in management.
