

## Space I am

[Based on Sri Swami Tattvavidanandaji's 11-5-2020 guided meditation on Space]

An undeniable presence beckons from the firmament  
what art thou; who art thou; I muse in amazement?  
Space I am; proclaims the presence.  
Eyes see naught; how then thy presence?  
Ah! Yes! Perceptionless I am; above the vagaries of thought and such  
boundaryless; deep and profound; vast and limitless  
resist not I the howling wind; torrents of midsummer rain  
glowing tongues of fire; quakes that rock the earth  
accommodating all, detached am I  
yes; unattached; asangah; undividedly open  
joy abides in mine openness; beauty besides  
utterly still; eternally serene; silent I am  
mine glories these; mine grandeur.  
And what of you my dear; queries space  
whence did thou come whither thy dwelling?  
Ah! Sire; listen thou to mine tale  
the crystallized life of yesteryears  
desires and fears; suffering and strife; ignorance fathomless  
so it was samsara abound  
when with thine openness I connect  
lo! behold! a miracle  
freed from the fetters of enclosures and fences  
words and images; pleasure and pain; me and mine  
clutches of immediate; contents of manifest  
above the roaring waves of memory rose I  
boundaries swept away into its swirling depths  
die I did to the known; knowledge unreal  
moment to moment death renewed  
embracing life with no resistance  
free as a soaring falcon stand I  
yes Sire; alone I am; open I am  
in thine infinite openness beyond measure  
with love in mine openness; silence in aloneness  
sense I that wondrous light of silence within  
light of limitless awareness; light of timeless being  
that glorious brahman aham asmi; brahman I am  
Aham brahmasmi
